

Build Better

GROW YOUR BUSINESS WITH SOUTHERN SUPPLY

Supporting the Trade Community since 1934

With nearly 90 years in the building industry and a proven team with the know-how to get you what you need when you need it, Southern Supply is unmatched as a partner to builders. Our access to styles, designs and colors that are not available elsewhere, lets you leave your unique mark on your building projects. And because of that, Southern Supply is a partner you can bank on, literally. Let us help you grow your reputation and your business.
